ABOUT US

Thank you for visiting our Sugarhouse & Market. Please take the time to explore. Our SUGARHOUSE is open annually from mid-February to mid-April and our Farm Market is open year-round. For 30 years now, we have truly appreciated your support— It's kept us inspired in farming, producing and intent on providing for the local community.

Farming is our livelihood. We bought land from our grandparents, Mary and Adolph Pipczynski in 1992. We built the North Hadley Sugar Shack and opened February of 1995 serving an old-fashioned sugaring breakfast. Over the years of growing this business, our kids have come, they've worked (and played) and fully grown up! Our aging parents, siblings, aunts, uncles, nieces and nephews all have contributed hugely over the years as well. We've built, added on, reconstructed and invested in new technologies, all to keep the maple syrup flowing— of which you'll see when you visit, explore and take a tour.

In addition to our maple operation, our North Hadley Market is now open year-round. We raise our own beef, pork, and chicken on our 80 acre home farm, Sunny Brook Farm, just up the road. We take great pride in our high-quality meats. Our beef cows are pasture raised and fed grass, hay and veggies. All of our livestock are free range and hormone free. Our meats are processed and inspected by a USDA packing facility and sold in our display freezers. All of our tasty maple products and seasonal vegetables are also available. We serve hot lunches, have a full deli, a fresh bakery corner, feature local gourmet foods made right here in the valley, plus local beer & wine, and so much more. We use our own fruits and vegetables whenever possible in our menu and bakery offerings. If we don't have it we will source it out locally whenever possible.

From June to October our most popular summer feature is our famous Maple Soft-Serve! Also be sure to check out our huge selection of summer annuals and potted decorative plants, grown right here in our greenhouse. In the fall, we feature our own hardy mums, asters, and our own fall produce. We have Indian corn, straw bales, corn stalks, pumpkins, and much more.

During the holidays we take orders for our own fresh homemade pies. Christmas is a special time of year here too! We have all of your decorating needs— from the perfect locally-grown tree to handmade wreaths for your door to log boxes. Don't forget those special people on your list! Make a gift box with our maple syrup and goodies and we can ship it for you. Let us help you with your holiday feast— from pies, to cookie platters and Boar's Head deli platters. Bon appétit

*Thank You & Enjoy!
~The Boisvert Family*
